

OUR PROGRAMS

THE WAY E&S BUSINESS SHOULD BE DONE

Covenant Underwriters offers comprehensive package policies that are custom written specifically for their respective classes of business. With our fully online submission process, we're revolutionizing business processes in the E+S Market.

Our Process is:

- Customizable & Flexible - Limit package tiers can be bought up to best fit the insured's needs
- Automated - Online rating process with a 24 to 48-hour quote turnaround time
- Responsive - While automated, all submissions are also guaranteed review by a personal underwriter promoting strong customer service
